Mindroom Innovation will either arrange for the student to be offered a place in an alternative course at the provider's expense or provide a full refund of tuition fee.

If the student accepts the offer of alternative course, the student should accept it in writing and no refund of tuition fee will be given to the student; otherwise, Mindroom Innovation will refund the student the paid tuition fees in full within 28 days of the default day.

In case the refund will be made after the commencement date, Mindroom Innovation will be obligated for a partial refund for the portion of the course not delivered or assessed when Mindroom Innovation fails to meet its obligation to the student.

In the event that Mindroom Innovation does not satisfy its obligation to an affected student, the Tuition Protection Service (TPS) Director will facilitate access for the student to course placement.

However, the enrolment fee and any other service or learning resource fees (material fee) are non-refundable.

17. **Unused Tuition fees refund if Visa is refused by The Department of Home Affairs after commencing course:** A full refund of unused tuition fees will be made where a student's visa application is refused by The Department of Home Affairs. In this case, written proof of refusal must accompany the request for refund. The Enrolment Fee will not be refunded.
18. **Student Defers Course prior to the Date Of course Commencement:** Students must start their course on their allocated starting date except in exceptional circumstances. Students who wish to defer their course start date must give at least one-week written notice. If less than one-week notice is given, Mindroom Innovation will charge the student one-week tuition fee. Students who do not arrive on the designated start date and have not given notice, will automatically be charged one-week tuition fee.

20. **Exceptional Circumstances:** Deferment of a Course of Study for an Existing Student, where a student is unable to continue his or her studies for reasons deemed by Mindroom Innovation to be “exceptional circumstances”, (e.g. illness or death of a close relative, backed up by documentary proof), the student will not be entitled to a refund but may apply for a deferment. Course deferments can be scheduled for any date in the future so that students are able to resume their studies at a time convenient to them.

Note:

- I. Course deferments cannot be converted to cash refunds under any circumstances.
 - II. Mindroom Innovation does not offer a deferment, or transfer of pre-paid fees to another person.
21. Requests for refund should be made in writing and forwarded to Student Services. An acknowledgement of the request will be sent immediately to the email address nominated in the request, or the last known address held on file for that student, or as an email reply to the sender. If the refund request is approved, payment will be made either in the form of a cheque made out in Australian dollars (AUD) to the enrolled Student, or by bank transfer. If the payment was made by credit card, the payment will be refunded to the credit card or the account from which it was made. The refund will be paid directly to the person who entered into the contract with Mindroom Innovation, unless that person gives a written direction to Mindroom Innovation to pay someone else except in the case of credit card refunds. Refund cheques will be posted to the nominated address or made available for collection from Administration. All refunds will be processed and paid within 28 days of the receipt of the approval of the written request. Note: If the refund payment requires an international bank transfer, a \$50 transfer fee will apply.
22. We try to handle and process students’ requests and applications in a fair and unbiased manner. If for any reason you feel that you have been wronged, or you strongly disagree with Mindroom Innovation’s decision, and have attempted to reason with Mindroom Innovation’s staff to see your arguments, you have the right, in a case of dispute over a refund, to access Mindroom Innovation’s Complaints and Appeals process and nominate a support person to accompany you at any stage of the dispute resolution process. If necessary, Mindroom Innovation can also arrange an external Mediator to help settle the dispute. This agreement and the availability of complaints and appeals processes do not remove the right of the student to take action under Australia’s consumer protection laws.
23. **Provider Default:** In the unlikely event of Mindroom Innovation not being able to provide a course for an enrolled student, all fees, including the Enrolment Fee as determined by the legislative instrument under subsection of 47 (E) (4) ESOS Act will be refunded to the student within 14 days.
24. **Payments to Agents Representing Mindroom Innovation:** Mindroom Innovation cannot be responsible for the Refund of any consultation payments made by the students to Education or Travel Agents. This is a separate contract between the student and the Agent. Furthermore, Mindroom Innovation will not refund commissions collected from students by Education Agencies prior to payments made to Mindroom Innovation.
25. Amount for refund will be paid in AUD and will not include EFTPOS, overseas EFT and telegraphic transfer, credit card surcharges and banking transaction fees and payments made to education agents.
26. In the event of any disagreement between the parties regarding the application of the refund information set out above, the dispute resolution procedures of Mindroom Innovation do not override the student’s right to pursue his or her other legal remedies.
