# PROJECT MANAGEMENT

---

**BSB51415**

---

## DESCRIPTION

This unique and challenging qualification provides you with the skills required to plan, manage and supervise projects. If the idea of taking control of a project is something that excites, look no further. With MI you will gain the skills and knowledge necessary to plan, manage and assess projects in any industry. Throughout the course you will work on real business scenarios and case studies, as well as your own project understanding and applying essential project management theoretical frameworks.

BSB51415 Diploma of Project Management is conducted over 60 academic weeks (with up to 18 weeks holiday in addition) and comprises a total of 12 units, including the following:
